

YogaLotus celebrates the New Year and Life with:
Henry Marshall & the Big Little Mantra Band
Zondag 6 januari 2019

A group gathers in a lovely yoga space and chants magical songs of power. Voices align. Something happens. Moments of transcendence.

Curious?

Expect great musicians, marvelous mantras, wonderful people, a beautiful space, and... the unexpected....

Tri-Energetic group exercises will help us relax our bodies, quiet the mind-emotions, and open our hearts. We'll reconnect with old friends and make some new ones.
